INFORMATION DISCLOSURE STATEMENT

Hon. Sir:

It is respectfully requested that the art listed on the attached PTO Form-1449
be considered by the Patent Examiner in the above-entitled application and made of
record therein by including same in the "references cited" portion of any patent

issuing from this application. The documents noted therein are issued patents and/or publications, and thus are being brought to the Examiner's attention. Full text copies are enclosed or will follow as soon as possible once they are made available to the undersigned, and this submission is otherwise believed to be in compliance with 37 CFR 1.56 and 1.97 - 1.98.

No representation is made or intended, that better art than that listed is not available, nor is a representation made or intended that any translations supplied are accurate or complete. Also, no representation is made or intended that the order of information listed is significant, or that a search has been made by the applicant.

None of the patents/publications, whether taken alone or together, are believed to disclose or suggest the subject invention as claimed. It is, therefore, believed that the Examiner will concur with applicant's belief that the subject matter presently claimed is neither anticipated nor rendered obvious by such patents and/or publications. However, as indicated initially in this statement, it is respectfully requested that the Examiner consider such information under 37 CFR 1.104.

The required fee for submission of this Information Disclosure Statement and PTO Form 1449 in the amount of \$180 is enclosed. Should there be additional fees required or a credit is forthcoming, then same may be charged or credited to the

undersigned Attorneys Deposit Account 10-0100.

Respectfully submitted,
